SEEKING HIGH SCHOOL INTERNS

Classical Actors Ensemble is seeking two talented 11th or 12th graders for internship opportunities as performers in our spring 2019 school tour of *Romeo and Juliet*. We're seeking boys or students who can present as boys. The interns will receive significant training in acting, text work, and stage combat from professional artists and artist/educators. The internship is unpaid.

Rehearsals will be held in Minneapolis on intermittent weekday evenings TBD (6:30-10pm) and Saturday afternoons beginning January 2, 2019, with the schedule becoming more regular towards the end of the month through February 12. There will be a total of 10-14 school day performances between February 13 and May 3, 2019, so students will need permission to miss school (some partial days, some whole days).

We've had high school interns on our last three tours; all were able to continue participating in their schools' theater productions. Past tours have visited St. Paul Academy and Summit School, Mounds Park Academy, Eastview High, Irondale High, Faribault High, Hancock High, St. Paul Central High, Edina High, West Fargo Sheyenne High, Rochester Mayo High, Oak Grove Middle School, Parnassus Preparatory School, and Breck Middle School. Our teaching artists have worked with students at St. Paul Academy and Summit School, NOVA Classical Academy, Paynesville High School, Hamline University, the University of St. Thomas, and St. Olaf College.

Interested students can contact us at auditions@classicalactorsensemble.org with a picture and resume and/or a paragraph about their theater experience and future goals. We will reply to all but schedule auditions with select applicants.
